RE: Lightronics Offering Ellipsoidals Early Spring 2007!

In early spring of 2007 Lightronics will begin offering ellipsoidals to complete your Lighting Control Systems! Lightronics ellipsoidals will be available in 10, 19, 26, 36 and 50 degree beam spreads. They will be equipped with a high quality optical system with variable focus. The ellipsoidals' housing will be made from die-cast aluminum and the handles will be insulated. The ellipsoidals will include gel frames and all ellipsoidals will be available in a black or white finish and will be covered by a two year warranty.

For more information about Lightronics ellipsoidals or any other Lightronics products please visit www.lightronics.com or call toll free at 800-472-8541.
