

## For Immediate Release

March 1, 2007

### **New Product: XC Series Compact Dimmers**

Lightronics is introducing a NEW line of compact dimmers! This new line, the **XC Series**, has a new and exciting look and is full of great new features! Features include; **Wireless DMX Option**, an LED Digital Display, 4 and 6 Channel Capacity, 600 and 1200 Watts per Channel, Softpatch (each dimmer), Dimmer Limiting, Dimmer Curve/Relay Selection, DMX-512 Protocol, Built In Chase Function, "Set and Forget" Intensity, Architectural Interface and AMX/Crestron Interface. The XC Series has a sleek lightweight design with rounded edges and an all black finish. The XC Series, as well as all Lightronics products, is covered by a full 5 Year Warranty.

For more information about XC Series from Lightronics please visit on the web at [www.lightronics.com](http://www.lightronics.com) or call us toll free at 800-472-8541.
