New Product: Show*Pro Lighting in a Box

Lightronics has combined two of their most popular lines, the Show*Pro Series and the Lighting in a box. With this combination you not only receive the versatility of a moving light console, you also have the convenience of everything you need for your performance in one box, all at a lower price than their standard Lighting in a Box packages! There are three Show*Pro Lighting in a Box packages available. The LB-01 includes; 1 SM-192 console, 1 SD-4102 dimmer, 4 PAR38 fixtures, 4 150W lamps, 4 color gels, 1 25' mic cable and 1 9' stand. The LB-02 includes; 1 SM-192 console, 2 SD-4102 dimmers, 8 PAR38 fixtures, 8 150W lamps, 8 color gels, 2 25' mic cables and 2 9' stands. The LB-05, which is an add-on to the LB-01 and LB-02, includes; 1 SD-4102 dimmer, 4 PAR38 fixtures, 4 150W lamps, 4 color gels, 1 25' mic cable, 1 9' stand. These packages are completely portable and self-contained making them a great solution for any solo performers, small bands, rental applications, etc.
