RE: Lightronics Ellipsoidals Shipping!

Lightronics Ellipsoidals are now shipping! Lightronics has begun offering ellipsoidals to complete your Lighting Control Systems! Lightronics ellipsoidals are available in 10, 19, 26, 36 and 50 degree beam spreads. They are equipped with a high quality optical system with variable focus. The ellipsoidals' housing is made from die-cast aluminum and the handles are insulated. Gel frames and gobo holders are included. All ellipsoidals are available in a black or white finish and are covered by a two year warranty.

For more information about Lightronics ellipsoidals or any other Lightronics products please visit www.lightronics.com or call toll free at 800-472-8541.
