Lighting Console

TL-2448
Lighting Console

LIGHTING is your answer!

The importance of lighting in a production is often forgotten or overlooked. With the right lighting *and* the right lighting console, your production can *INSPIRE*, *MOVE* and encourage your audience to *BELIEVE* in your message!

Our lighting consoles are feature packed, easy to operate and priced to fit your budget!

Contact us for our **FREE Worship Facility Lighting Guide**.
An easy to understand introductory guide to lighting (available on the web or in print).
